

**REMARKS**

Applicant respectfully requests reconsideration of the present application in view of the following.

Claims 1, 15, 19, 24, 28-39, 41-47 and 49-52 are pending in this application.

In the response filed April 7, 2004, there was an inadvertent error on page 7, second to last line. Specifically, the sentence which reads, "That is, none of the working examples are related to intracellular infective agents, let alone fungal infections or onchomycosis;" should be replaced by "That is, none of the working examples are related to extracellular infective agents, let alone fungal infections or onchomycosis."

It is clear from the context that the statement is referring to infective agents which are extracellular, because fungal infections and onchomycosis are extracellular.

**CONCLUSION**

Applicant believes that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 19-0741. Should no proper payment be enclosed herewith, as by a check being in the wrong amount, unsigned, post-dated, otherwise improper or informal or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 19-0741. If any extensions of time are needed for timely acceptance of papers submitted herewith, Applicant hereby petitions for such extension under 37 C.F.R. §1.136 and authorizes payment of any such extensions fees to Deposit Account No. 19-0741.

Respectfully submitted,
